

# Welcome to Feel The Magic x Ironman

18<sup>th</sup> October, 2026. Port Macquarie

We are raising funds and awareness for Feel The Magic - who exists to help grieving children and their families find hope, connection & resilience after loss.

Our team will compete in the:  
**IRONMAN, IRONMAN70.3 OR A 70.3 TEAM RELAY.**

Just as athletes train their minds and bodies to overcome challenge, the children we support show extraordinary strength as they navigate grief. Their stories remind us that resilience isn't built alone, it's forged through community, compassion, and belief in something greater than ourselves.

Every kilometre, every conversation, and every act of support helps ensure no child grieves alone. Because whether you're crossing a finish line or finding your way through loss, we are all stronger with magic.
